Dear Dr. Kristiawan

Thank you for uploading your replacement files. We have finished reviewing the replacement articles and found some additional corrections that need to be made before we can move forward with production. To expedite the publication of your volume, please return your replacements by December 14.

Please see the items marked in red in the attached Excel worksheet detailing our request for replacements. Only three papers require revision.

**COPYRIGHT FORMS**

AIP Conference Proceedings has changed the procedure of collecting copyright release forms in an effort to publish proceedings in a timelier manner. We now ask that the Editor of the conference secure a copyright release form for each paper signed by at least one author for each paper. **If you have not already done so, please collect and submitted your copyright forms.** The form is available for download [here](#).

To ensure that the copyright is properly attributed, please save each copyright release form as a PDF using the following naming convention and upload to the link below:  
**NUMERICALSEQUENCE\_TCA\_FIRSTAUTHORFAMILYNAME\_CONFERENCE**  
e.g., 002\_TCA\_KHALIFA\_COEC2021. The FirstAuthorFamilyName should be the same used in the article file name.

**HOW TO UPLOAD REPLACEMENTS AND COPYRIGHT FORMS**

You should upload your replacement files and copyright forms in separate folders but in one ZIP/RAR file to Seafile (<https://seafile.aip.org/uj/d/4c65dd7de784a199acf/>) and send a confirmation email to [ajpcpeo@aip.org](mailto:ajpcpeo@aip.org) once the upload is complete. The ZIP/RAR file should be labeled ACRONYM\_date uploaded. [NOTE – if fewer than 10 files, send as email attachments].

We kindly ask that when submitting replacement files, you submit only those files that have been requested (indicated in red) and not the entire submission once again. If you have any questions or concerns, please email AIP Conference Proceedings Editorial Office at [ajpcpeo@aip.org](mailto:ajpcpeo@aip.org).

Thank you for your time.
